

Primary School iPad Classroom Apps

- **Matching**

Match it up 2 & 3 (often used for less able students)

Go Together (Different roads to Learning) (excellent)

Match the Same (excellent – can download a few for free initially, then buy more categories)

Play and Learn Colours (Fehners Software LLP)

My Colours (Simple Loop) – free and ok

My Mosaic (good for independent work, fairly difficult)

First Puzzles (good for independent work)

- **Communication**

FindMe (Autism) (free)

Emotions (Alligator Apps) (not amazing but free and good photos of emotions)

Going Placed (Model Me kids) – (free and ok for ideas for creating social stories)

Emotions (Alligator Apps) – free (good but finite)

- **Maths**

Learn Shapes (good)

Math Bingo

Splash Maths Grade 1 Maths

Friends of Ten (Little Monkey Apps) (all Little Monkey apps are excellent)

Place Value (Little Monkey Apps)

Subitising (Little Monkey Apps)

Pirate Treasure Hunt: eight challenges (Education Services Australia) (Students apply basic literacy and numeracy skills to help find buried treasure.)

- **Literacy**

Magnetic ABC (free and handy for creating words)

Book Creator (excellent – costs about €2 – take pics of the students and create instant books)

Storykit (Children's Library) (excellent and free – Book Creator above is probably better but this is instant too)

LAZ Library A (excellent) – a big selection of books to download and there's internet back-up too

Cat in the Hat

Dr Seuss ABC

Fox in Socks

Special Stories

Off We Go series (Off We Go series of sensory social Stories by Irish woman Avril Webster – excellent – look online for a sample of one of the books)
